Institute of Technology University of Moratuwa
Admission to the National Diploma in Technology - 2022/2023 Intake
List of candidates who passed the Aptitude Test held on 06.04.2023

Names of candidates who have passed the Aptitude Test for the admission of National Diploma in Technology – 2022/2023 Intake, held on 06.04.2023 is attached below.

Important:

Please note that passing the Aptitude Test is <u>one of the requirements</u> for the selection of students to the National Diploma in Technology programme. Selections will be done based on the merit order of G.C.E. (A/L) results (40% merit and 60% district quota will be applied) from the applicants who have passed the aptitude test.

Selected applicants will be notified for the registrations in due course.
